THE CAPITAL CAMPAIGN FOR EPISCOPAL

UKNIGHTED *for a Purpose*

Dear Episcopal Community,

While the journey of the Spirit · Mind · Body Capital Campaign officially began in 2016, for many, this vision started years before. The generosity of the Episcopal community is impressive, and together we will continue to have a positive impact on students and faculty for years to come. Episcopal is proud to provide students with an updated Chapel, the new Academic Commons, a new Field House, and a re-imagined QUEST Center in Foster Hall.

In this final year, we encourage all members of the Episcopal community to be a part of the Campaign. We are grateful for the hard work of our volunteers, the many gifts from our donors, and the incredible spirit of our community. We believe completing the Campaign in June 2022 is possible with the help and dedication of you and others in our community. **We have already succeeded, raising \$17 million for the Spirit · Mind · Body Campaign. Now, we must raise \$2 million to fully fund all of these tremendous assets to our campus.**

Many of you have already stepped up in significant ways, and we are grateful for your support. For the additional members of our community who feel compelled to participate, we welcome your commitment. Your participation and gift will continue to uKnight us towards our greater purpose of nurturing and developing the whole child – spiritually, intellectually, morally, physically, and artistically. Please consider being a part of our journey in support of the Spirit · Mind · Body Capital Campaign.

Gratefully,

Dr. Carrie Steakley
